

| Location<br>Point | Botanical Name                                | Family           | Type of Plant | Bloom Time   | Zone |
|-------------------|---|------------------|---------------|--------------|------|
|                   | <i>Abies grandis</i>                          | Pinaceae         | Tree          |              | 5-6  |
|                   | <i>Acer capillipes</i>                        | Aceraceae        | Tree          |              | 5-7  |
|                   | <i>Acer circinatum</i>                        | Aceraceae        | Tree          |              | 6-9  |
|                   | <i>Acer davidii</i>                           | Aceraceae        | Tree          |              | 5-7  |
|                   | <i>Acer seedlings</i>                         | Aceraceae        | Tree          |              |      |
|                   | <i>Amelanchier alnifolia</i>                  | Rosaceae         | Tree          |              | 2    |
|                   | <i>Arbutus 'Marina'</i>                       | Ericaceae        | Tree          |              |      |
|                   | <i>Arbutus menziesii</i>                      | Ericaceae        | Tree          | Apr          | 7-9  |
|                   | <i>Arctostaphylos uva-ursi</i>                | Rosaceae         | Shrub         |              | 4    |
|                   | <i>Baccharis pilularis</i>                    | Asteraceae       | Shrub         |              | 8    |
|                   | <i>Buxus sempervirens</i>                     | Buxaceae         | Shrub         |              | 6-8  |
|                   | <i>Ceanothus thyrsiflorus</i>                 | Rhamnaceae       | Shrub         |              | 8    |
|                   | <i>Cedrus atlantica 'Glauca Pendula'</i>      | Pinaceae         | Tree          |              | 6-9  |
|                   | <i>Clethra alnifolia</i>                      | Clethraceae      | Shrub         | Jul          | 3-9  |
|                   | <i>Cornus kousa 'Benifugi'</i>                | Cornaceae        | Tree          | May          | 5-8  |
|                   | <i>Cornus mas</i>                             | Cornaceae        | Tree          | Feb/Mar      | 5-8  |
|                   | <i>Cornus nuttallii</i>                       | Cornaceae        | Tree          | Apr          | 7-8  |
|                   | <i>Corylopsis sinensis</i>                    | Hamamelidaceae   | Shrub         | Feb/Mar      | 6-9  |
|                   | <i>Cotinus obovatus</i>                       | Anacardiaceae    | Tree          | Summer       | 4-8  |
|                   | <i>Cryptomeria japonica (?)</i>               | Taxodiaceae      | Tree          |              | 6-9  |
|                   | <i>Delphinium leucophaeum</i>                 | Ranunculaceae    | Perennial     | Summer       | 5    |
|                   | <i>Deutzia scabra 'Candidissima'</i>          | Hydrangeaceae    | Shrub         | Jun          | 6-8  |
|                   | <i>Dryopteris arguta</i>                      | Dryopteridaceae  | Fern          |              | 7    |
|                   | <i>Erythronium oregonum</i>                   | Liliaceae        | Perennial     | Apr          | 3-9  |
|                   | <i>Erythronium revolutum</i>                  | Liliaceae        | Perennial     | Mar/Apr      | 5-9  |
|                   | <i>Euonymus alatus</i>                        | Celastraceae     | Shrub         |              | 4-9  |
|                   | <i>Galanthus nivalis</i>                      | Amaryllidaceae   | Perennial     | Feb/Mar      | 3-9  |
|                   | <i>Garrya elliptica</i>                       | Garryaceae       | Shrub         | Jan/Feb      | 8-10 |
|                   | <i>Halesia carolina</i>                       | Sytracaceae      | Tree          | Apr          | 5-8  |
|                   | <i>Holodiscus discolor</i>                    | Rosaceae         | Shrub         | Jun/Jul      | 6-9  |
|                   | <i>Ilex prado ssp platyphylla</i>             | Aquifoliaceae    | Tree          |              | 7-9  |
|                   | <i>Laburnum anagyroides</i>                   | Fabaceae         | Tree          | Apr          | 6-8  |
|                   | <i>Lithocarpus densiflorus</i>                | Fagaceae         | Tree          |              | 8-10 |
|                   | <i>Maianthemum canadense</i>                  | Liliaceae        | Perennial     |              |      |
|                   | <i>Oemleria cerasiformis</i>                  | Rosaceae         | Shrub         | Feb/Mar      | 6-10 |
|                   | <i>Parthenocissus quinquefolia</i>            | Vitaceae         | Climber       |              | 3-9  |
|                   | <i>Philadelphus lewisii</i>                   | Hydrangeaceae    | Shrub         | Jun          | 5-8  |
|                   | <i>Philadelphus lewisii</i>                   | Hydrangeaceae    | Shrub         |              | 5    |
|                   | <i>Picea abies</i>                            | Pinaceae         | Tree          |              |      |
|                   | <i>Picea abies 'Sherwood Multnomah'</i>       | Pinaceae         | Tree          |              |      |
|                   | <i>Picea bicolor 'Howell's Dwarf'</i>         | Pinaceae         | Tree          |              |      |
|                   | <i>Picea glauca</i>                           | Pinaceae         | Tree          |              | 3-6  |
|                   | <i>Pinus sp</i>                               | Pinaceae         | Tree          |              |      |
|                   | <i>Prunus virginiana</i>                      | Rosaceae         | Shrub         |              | 2    |
|                   | <i>Rhododendron 'Broughtonii' (by Sappho)</i> | Ericaceae        | Shrub         | April        | 5-9  |
|                   | <i>Rhododendron catawbiense (above lilac)</i> | Ericaceae        | Shrub         | May          | 4    |
|                   | <i>Rhododendron occidentale</i>               | Ericaceae        | Shrub         | Apr/May      | 7-9  |
|                   | <i>Rhododendron 'Venustum' Nobleanum</i>      | Ericaceae        | Shrub         | Early Winter |      |
|                   | <i>Ribes aureum</i>                           | Grossulariaceae  | Shrub         |              | 2    |
|                   | <i>Sequoia sempervirens 'Albo-spica'</i>      | Pinaceae         | Tree          |              |      |
|                   | <i>Sequoiadendron giganteum</i>               | Taxodiaceae      | Tree          |              | 7-10 |
|                   | <i>Symplocos paniculata</i>                   | Symplocaceae     | Shrub         | Apr/May      | 5-8  |
|                   | <i>Synthyris reniformis</i>                   | Scrophulariaceae | Perennial     | Spring       | 7-9  |
|                   | <i>Taiwania cryptomeroides</i>                | Cupressaceae     | Tree          |              | 9    |

|                                   |                 |           |     |
|-----------------------------------|-----------------|-----------|-----|
| <i>Taxus brevifolia</i>           | Taxaceae        | Tree      | 6   |
| <i>Taxus cuspidata</i>            | Taxaceae        | Tree      | 5-7 |
| <i>Thuja plicata</i>              | Cupressaceae    | Tree      | 6-8 |
| <i>Trochodendron aralioides</i>   | Trochodendracea | Jun       | Apr |
| <i>Tsuga chinensis</i>            | Pinaceae        | Tree      | 5-9 |
| <i>Tsuga</i> sp                   | Pinaceae        | Tree      |     |
| <i>Vaccinium ovatum</i>           | Ericaceae       | Shrub     | 7-9 |
| <i>Viburnum trilobum</i>          | Caprifoliaceae  | Shrub     | 2   |
| <i>Viola</i> sp                   | Violaceae       | Perennial | Feb |
| <i>Xanthocyparis nootkatensis</i> | Cupressaceae    | Tree      | 4-7 |
